

Dear Parents,

We are beginning our lending library program for our three-, four-, and TK classes. The library has a varied selection of children's literature.

When we visit, we will explain to the children how the library works, go over library rules, read the children a short story, and check out a book for each child who would enjoy borrowing one.

Please indicate below if you give permission for your child to borrow a Schoolhouse library book. Please return this signed form to your child's teacher by Friday, September 13<sup>th</sup>.

We are excited to offer the children another opportunity to develop their appreciation of books and reading.

Best,  
Diane Balfour  
Director
