The Schoolhouse Nursery School and Kindergarten’s mission is to ensure a safe and nurturing environment while providing an introduction to the foundations of learning. These learning experiences serve as the first bridge between home and school. They channel a child’s natural enthusiasm and curiosity to set the stage for future learning.

The Schoolhouse Staff is passionate about preschool. Old school learning, new school feel.
Our early childhood classrooms are multicultural learning environments where diversity and uniqueness of each child and his/her family is valued.

LITTLE ME AND COMPANY
Age 18–36 months
1 day per week AM
• Quality time for toddlers accompanied by adults. Teacher guided activities
• A fun, first school experience

TWO-AND-A-HALF YEAR OLDS
Age 2 by April 1
2 days per week AM or PM
• Warm and positive first independent school experience
• Focus on fundamental skills of cooperation, communication and sharing
• Activities include singing, stories, finger plays, sharing time, counting activities and calendar
• Creative artwork includes shapes, colors, paint, glitter, and glue

THREE-YEAR OLDS
Age 3 by October 1
2 & 3 days per week AM or PM
• Promote positive self-image, confidence, and social interaction
• Introduction to letters of the alphabet by sight, in print and by sound - use of Handwriting without Tears (a multisensory handwriting program)
• Math is introduced through our preschool developmental Count on Math Program
• Seasonally-based themes that promote hands on learning and connect activities to our world

FOUR-YEAR OLDS
Age 4 by October 1
4 & 5 days per week AM or PM
• Kindergarten preparation includes letter recognition and phonemic awareness
• Handwriting without Tears and Count on Math programs continued
• Real world themes experienced through science, multisensory art, music and movement
• Focus on independence, problem solving, self-monitoring and complex thinking

TRANSITIONAL KINDERGARTEN
Age 5 by October 1
5 days per week AM or PM
• Invaluable gift of time for 5 year olds not quite ready for kindergarten in an atmosphere where growth and maturity are fostered
• Focus on school readiness skills using academic curriculums: Handwriting without Tears, Count on Math, Reading Mastery (a direct reading instruction program)
• Creative curriculum includes cultural studies, community service and drama

KINDERGARTEN ENRICHMENT
3 days per week PM
• Creative themes and projects expand and enrich the kindergarten curriculum
• Reinforce academic skills of handwriting, journaling, reading and mathematics
• Investigate culture and world events through science, social studies, cooking, and drama
