Four Year Old Class

Math

Patterning

Patterns are all around us. Recognizing, copying, extending and creating patterns help develop an awareness of sequence which aides in later math skills such as skip counting, odd and even numbers and ordering.

Handwriting

Without Tears

We will now begin letters with curves. We will cover the letters; C, O, Q & G.

We will continue to practice our Hooked on Phonics and our name sheets.

Science

- *Cold climate animals
- *Hibernating, migrating and adapting animals
- *Snow and snowflakes
