Math

Ordering

We will be arranging objects and sets of objects using one-to-one correspondence. It helps students understand that numbers have a specific order (fewer or more) and that each number is one more than the number before.

Numbers

We will begin working on the numbers 0, 1, 2, 3, 4

This month we will work on letters with curves and diagonal lines; B, R, K, A, M Practice name sheets will also be done weekly as well as hooked on phonics.

Science

- *Weather related experiments
